Business Accounts

The Deposit-for-free Business Account

Just getting your business off the ground? This chequing account could be right for you. This account is most beneficial if you average one transaction a day. You can make as many deposits¹ as you like for a low monthly fee and you pay just \$1.25 for each withdrawal² like bill payments, in-branch withdrawals and many more transactions within Canada. Coast Capital or THE EXCHANGE[®] Network ATM withdrawals are also \$1.25 each.

Monthly
Fee:
\$6

What you get:

- No deposit content fees
- Unlimited in-branch and ATM deposits¹
- Unlimited transfers via online, mobile and telephone banking between Coast Capital accounts
- Free access to business deposit ATMs which instantly credit deposits made to your account
- Free eStatements
- Paper Statements additional \$4.50 per membership per month (optional)

Additional Fees:

- Sending an INTERAC[®] e-Transfer \$1.50 each; receiving e-Transfers is free

Cash Management

Let's optimize how you manage your money, together.

Our Business Banking Team is here to curate a personalized cash management plan for your business with the right solutions and services to make running a business a little easier. From getting the right credit card to managing your account online and finding payment and receivable solutions that won't break the bank, let's work together to help you succeed.

Visa Desjardins Business Cards

Through our partners at Desjardins, we offer Visa* credit cards for businesses of every size. If you're self-employed or own a small- or medium-sized business, Visa Desjardins Business Cards offer competitive rates and a credit limit based on your needs.

What you get:

- 1% cashback credit on all purchases¹
- Liability insurance up to \$100,000 to cover unauthorized expenditures²
- Customizable cardholder credit limits
- Online account access

Got a business with bigger credit card needs?

We can help with that too. We offer corporate and purchasing cards ideal for managing your business and expenses. Just contact one of our business experts for more information.

Merchant Payment Solutions

Does your business process debit or credit card payments? Global Payments offers the latest in point-of-sale terminals to deliver the flexibility your business needs and customers want. As a business member, enjoy no deposit fees³, 24/7/365 multi-lingual support and streamlined acceptance for all card types, including American Express⁴. Through Global Payments, you can choose from pricing based on transaction volume or a Small Business Processing Rate package.

Whether you've got an online business, a retail store or provide a service, we can help you find a solution and price plan that fits your business needs.

Remote Deposit Service

With Remote Deposit, a web-based service, you can use a desktop cheque scanner to securely deposit CAD and USD denominated cheques right from your office or home. Simply scan, validate and deposit batches of cheques remotely into your account. It is fast, secure, available 24 hours a day, and can handle deposits of large volumes of cheques all without needing to leave your office or take a picture of each item.

* Visa Int./Fédération des caisses Desjardins du Québec, authorized user.

1 Business purchases charged to one or more Coast Visa Business cards that total between \$12,000 and \$500,000 in one year will be eligible for a 1% cashback credited to the Business cardholder's account on the anniversary date of the account opening. Cash advances, Business cheques, interest charges, merchandise returns, administrative charges and other purchase fees do not qualify.

2 Certain conditions apply. Please refer to your Visa Desjardins Business card documentation.

3 Exception applies for US Business Chequing accounts.

4 Merchant must meet American Express OptBlue® program requirements – certain conditions apply.

Customer Automated Funds Transfer

We offer PaymentStream™ AFT, a web-based service that allows you to automatically deliver or receive payments to and from accounts held at other financial institutions. You may also know this service as electronic funds transfer, pre-authorized debit or pre-authorized payment.

Say you own a gym - you can set up a transaction file for payroll to pay your employees bi-weekly, another for receiving monthly membership fees and another for paying your suppliers bi-weekly. Once you set it up, you can just sit back and relax.

What you can do:

- Set up recurring payments or billing
- Set up single transactions for a future date
- Set up different user approval rights
- Set up file, transaction and monthly limits

Fees: Pricing for AFT service is based on monthly transaction volume and/or file activity.

Visit coastcapitalsavings.com/service-fees/business-service-fees for list of AFT fees.

Business Lending

Strengthen the foundation of your business with financing.

Our business financing and lending solutions can provide you with the funding you need to improve cash flow, make big purchases or prepare for unexpected situations. Whether you're in a short-term crunch, need to make a big purchase or want to improve your cash flow, we offer different financing tools that you can leverage to find financial peace of mind.

Lines of Credit

We'll help you set a line of credit linked directly to your business chequing account so you can decide when and how much you need to borrow. And with all lines of credit, you pay interest only on what you use.

Are you in trades? Get approved for a line of credit in as little as 30 minutes.

Term Loans

Need to finance your operations? We can help when you're ready to purchase, modernize or expand. We offer competitive fixed and variable interest rates and flexible payment options to help manage your cash flow.

Commercial Mortgages

Building or buying a new office? At Coast Capital, we understand that just as every real estate development project is different, so is every member and every business. That's why we'll create a tailored financing solution for you. We offer fixed or floating interest rate terms and financing for new and existing properties. Plus, we offer full-service construction and term lending for office, industrial and retail spaces. We also can help finance residential subdivision and multi-residential properties.

Equipment Financing

Finding the right equipment for your business is just as important as finding the right financing. We help all sorts of businesses purchase assets like trucks, trailers, material handling equipment and machine tools. Through our subsidiary Coast Capital Equipment Finance®, you'll have access to a full range of asset-based financing services through capital leases, conditional sales contracts, as well as loan and security agreements. We offer a broad range of equipment financing options from \$50,000 to \$2,000,000 and even have lease financing available from British Columbia to Quebec and the Maritimes.

Business Investing

Maximize your hard-earned savings.

How you invest is just as important as how much you invest. That's why we take the time to understand your unique goals to make sure your money is working as hard as possible.

Wealth Management

Our Wealth Team creates strategies that help ensure personal and business financial success. We offer advice you can trust about the right financial solutions and strategies to ensure you're on the path to meet your short and long-term goals.

GICs (Guaranteed Investment Certificates)

Is your business looking to invest? With guaranteed returns, variable terms and redeemable options, we can make sure money's there when you need it, and earning interest when you don't.

Mutual Funds¹ and Other Investments

Mutual funds offer the potential for higher returns. We have solutions that let you invest according to your risk level and goals. We even have tax-efficient monthly income funds designed with the specific goal of providing a regular income.
